PROFESSIONAL SUMMARY

Informatics Engineering graduate with hands-on experience developing web applications using Laravel and Next.js for government, organizational, and SME sectors. Demonstrated success in building scalable solutions, automating administrative workflows, and delivering robust full-stack features. Committed to writing clean, maintainable code and optimizing system performance for end-users.

TECHNICAL SKILLS

Languages: PHP, JavaScript, SQL, HTML, CSS

Frameworks & Databases: Laravel, Next.js, Tailwind CSS, MySQL, PostgreSQL

Tools & Technologies: Git, GitHub, Postman, REST API, VS Code

EXPERIENCE

Department of Communication and Informatics of Semarang City (Diskominfo) | Full Stack Developer Intern | April 2026 – May 2026

- Engineered a Laravel-based Document Management System serving 20–30 municipal staff, integrating Google Drive API for automated cloud synchronization and secure data storage.
- Implemented 16+ core system features, including Queue Processing, Live Document Editor, File Explorer, Audit Logs, and Document Sharing, enhancing operational workflow efficiency.

RITECS (Research and Innovation of Technology Computer Science) | Full Stack Developer Intern | July 2025 – December 2025

- Developed 10+ scalable application features using Laravel, including Google OAuth authentication, membership management, administrative dashboards, and book/journal tracking systems.
- Architected REST APIs and full-stack CRUD components to manage users, transactions, and publications, significantly streamlining data processing for organizational operations.

Freelance Full Stack Web Developer | Self-Employed | January 2025 – Present

- Delivered custom web applications using Laravel, Next.js, and MySQL to drive digital transformation for local SMEs, including a POS system for "Mie Kopyok Pak Zain" and an SME management platform for Desa Bakung.

EDUCATION

Universitas Dian Nuswantoro | Diploma in Informatics Engineering | GPA: **3.75**/4.00 (2026)

AWARDS

- 2nd Place, Web Development Category – DINUS FEST IT Competition 8.0 (2026)

LEADERSHIP EXPERIENCE

- **Google Developer Groups (GDG)** | Active Member; engaged in DevFest Jakarta 2025 and Build with AI Surabaya 2026 to enhance technical competencies.
- **Head of Media Division, HMDTI Universitas Dian Nuswantoro (2024–2025)** | Led a media team of 16, managing content publications and coordinating media coverage for the UI/UX Competition 2025.

CERTIFICATIONS

- Web Developer Certification – BNSP (2025)
- Junior Mobile Programmer Certification – BNSP (2025)
- Full-Stack Web Development with Laravel & PHP – Coursera (2026)
